Dear Graeme,

RE: REIMBURSEMENT OF DEVELOPMENT APPLICATION FEE

Recently Lithgow City Council received a grant of \$35,000.00 from the NSW State Emergency Service (NSW SES) for the construction of a new two bay garage to house vehicles belonging to the Lithgow Unit NSW SES at their Headquarters located in Silcock Street, Lithgow. This new garage will be owned by Lithgow City Council and therefore becomes an asset of Council.

As part of the construction process the NSW SES was required to submit a Development Application to Lithgow City Council. This cost of lodging the Development Application was \$874.76. Please refer to the attached Quote.

The above amount was paid by the Volunteers from the Lithgow Unit NSW SES from their funds.

The Volunteers from the Lithgow Unit NSW SES are seeking reimbursement from Council for the above amount. It would be greatly appreciated if the \$874.76 can be paid by EFT as per the details shown below.
