

# Pest Animal & Weed Roadshow

## 22 March - Glen Davis Community Hall

## 25 March - Oberon Showground

Department of  
Primary Industries

This project is supported by the NSW Department of Primary Industries and Landcare NSW through funding received from the Established Pest Animals and Weeds initiative, part of the Australian Government's Agricultural Competitiveness White Paper, the government's plan for stronger farmers and a stronger economy.

Landcare  
New South Wales

Hear from Central Tablelands LLS staff on pest animal controls and weed management. Peter West will be presenting on FERALSCAN and camera set up for best results. There will be time to discuss issues with all the speakers on any of your weed or pest animal queries. You will also learn about Living On The Edge project and how it can support landholders in achieving improved pest animal and weed control on their lands.

The day is free and catering will be provided

If you have a weed you'd like identified please bring it in a sealed container.
