

- Peaceful retreat.
- Great tree change.
- Great and green.
- Tree change property-nice.
- Diversity of animal husbandry great
- Smart great view.
- The land diversity. More suited to Australian soils and cattle or sheep.
- Keep up your good work.
- Nice, relaxed.
- Good development.
- Peaceful.
- Hobby farm.
- Good.

- Nice old bridge
- More spending on major works across the local government area.
- Needs widening.
- Too old. Like me.
- Country Road.
- Leave alone.
- Our heritage needs to be conserved.
- Country Road in disrepair.
- Needs fixing.
- Ugly.
- Antique.
- Nice old bridge.
- Narrow bridges reveal character
- Won't support population growth.
- Dangerous if towing a float

- Beautiful land.
- Way to go.
- Preserve landscape and grazing land.
- Nice on the eyes.
- Cattle need tree shelters too.
- Character.
- Great.
- Nice.
- No money can buy nature.
- Very nice.
- Peaceful.
- Bliss.
- Preserve.
- Love the valley.

- Not a good look but better than open cut
- Expand for more jobs.
- Necessity of our local area-jobs, growth.
- Growth is a must
- Part of our economic structure and future. Jobs.
- Necessary.
- Hardly.
- Contain. Regulate, monitor.
- Good jobs have to stay-grow.
- Please look after the water, keep it clean.
- Ugly.
- Ugly. Mines must set aside the jobs to revegetate land.
- Economic necessity.
- Good if managed and governed properly.
- Should be camouflaged.
- Antiquated technology in need of rehabilitation.

- Peaceful.
- Protect it.
- Love it.
- Pretty.
- Ah, the serenity.
- Water a beautiful necessity.
- Very important to protect our landscape and other waterways.
- Beautiful protect.
- Our future.
- Protect and preserve.
- Keep secure access.
- Free up to irrigate.
- More like this.
- Water our wealth and life.
- Where does the water disappear and why periodically?
- We need more like this.
- Don't let this water be polluted

- Danger--pave it.
- Seal.
- Seal.
- Great to have all our dirt roads paved.
- Danger uncleared verges-kangaroos.
- Seal the road for safety.
- Trees have a slowing effect on drivers.
- Maintain overgrown trees-needs to be tarred.
- Keep gravel roads well graded.
- Needs attention but a charming road.
- Adventure lies ahead.
- Seal overdue.
- Is to be tarred?
- Overhanging branches danger to trucks.
- Accidents happen on country roads

- History.
- Beautiful.
- Look after our heritage.
- History.
- Heritage.
- Should be preserved.
- Wonderful building. Maintain.
- Wonderful Hartley.
- How heritage is our history.
- Maintain heritage buildings.
- Keep. Heritage is valuable.
- Encourage preservation and use of historic buildings.
- Promote. Market. Develop.
- We need to be reminded of our history

- Need to pay volunteers a bit.
- Only viable with local people who have access to services and jobs.
- Good guys. Thanks .
- Good job.
- Heroes.
- A much needed and appreciated facility.
- Community.
- Essential.
- Thank God for fierys.
- A great service-lots of dedication.
- A very dedicated bunch of volunteers.
- A great and essential service.
- A great asset to the community

- My children attend the school. Fantastic place. Need more development as we need more students.
- To keep it we need development in rural lifestyle so families come and hence kids start school here.
- An awesome service only kept viable by community and commitment to sustainability in local demographics.
- Very sweet don't change.
- More people, more kids, keeps the school.
- Charming.
- Community.
- Develop small business for sustainability.
- Needed.
- Great to see still young families around.
- The corner store of Capertee.
- Very historic school-ensure its future.
- Schools are vital in a growing community.
- Use public schools for community meetings and keep them growing.
- I agree.

- Employment.
- So sad to see. A piece of history.
- Great to have major industries and employment in local areas creating employment hopefully.
- If we have to. Preferably not.
- We have to be thankful for the past production.
- This is ugly.
- Dirty.
- Antiquated technology.
- Jobs
- No Capertee Valley.
- Need more jobs.
- Demand oriented -hope obsolete one day.
- Dinosaur.
- Solar is it.
- Industry needed but in the right place.
- Ugly
- Keep industry together.
- We need power but in the right place.

- Neglected.
- Needs community to be involved with Government to keep, maintain and have a sense of ownership.
- Needs grass
- Needs beautifying
- Probably during the drought.
- Lonely.
- Ugly.
- Bit sad.
- Needs beautifying and looking after

- Chinese owned. Waste of money.
- No, no, no.
- Okay in appropriate places.
- Can't they make them look more like trees so there not so obvious.
- A great alternative to fossil fuel industry-clean energy.
- Agree.
- No wind farms.
- Ugly and evidence of general opposition in community.
- Not in Capertee Valley.
- Put them on my place.
- Not on our watch.
- Okay by me.
- Okay in the right areas.
- Not in Capertee Valley.
- I agree.
- Too many problems-jury out on health effects. Prefer solar.
- Not in the Capertee Valley.

- Community.
- But the facade-it is fine.
- a useful building-Glenn Alice.
- Need some beautification, plants, etc
- Neatly maintained community centre.
- True.
- The only building I know in Glenn Alice.
- Brings back a lot of memories. Bush dances. Community spirit. It is now twice the size and in the first a tiny shed. For Christmas tree and with Santa etc in the 1930s.
- Would look lovely with trees around it.
- Great hall for Landcare and other local meetings.
- A good meeting place for local community.
- Useful community Centre at Glenn Alice.
- Tranquil.

- Deserted
- What we're all here for.
- Productive use of land.
- More trees would prevent erosion.
- Protect and preserve.
- Prime agricultural lands-preserve it.
- Leave it alone.
- I agree.
- Do not break it up.
- Already 40 ha blocks. Too late.
- Light and shade.
- Beautiful landscape trees needed. Especially shade.

- Overdeveloped.
- No privacy.
- Rural and turned suburban eyesore.
- Scattered, lonely living.
- Untidy.
- Too close to one another.
- Density too high for rural area from town services.
- Community clusters-good.
- Spoils landscape. Ugly.
- Sleepy.
- Township
- More trees would help. A rather ugly development.
- Rural cluster living.
- Small close community.

- We need a new Bells Line Freeway as soon as possible.
- Needs landscaping.
- Hope this will be repaired and revegetate properly.
- Ugly and sad.
- Needs vegetation.
- Nice at ground level.
- Productivity is good.
- Keep it underground.
- Where is this situated?
- Promising future
- Progress-good to see.
- Beauty and the beast.
- Major road development. Photo looks ugly. But I suspect will be fine on completion.
- Needs landscaping
