SUMMARY

To advise Council of a successful grant application for Wolgan Road under the AusLink's Strategic Regional Program.

COMMENTARY

Correspondence has been received from the Federal Minister for Local Government, Territories and Roads, The Hon Jim Lloyd advising of a successful application under the Strategic Regional Program for proposed upgrade works to Wolgan Road. Under the program the Government will contribute \$2.4 Million towards the proposed major upgrade of Wolgan Road, from Wolgan Gap into the Wolgan Valley.

POLICY IMPLICATIONS

No Council Policies are relevant at this stage.

FINANCIAL IMPLICATIONS

The total cost of the project has been estimated at \$3.6 Million. Representations are now being made to Emirates and the State Government to provide funds for the balance of the project.

LEGAL IMPLICATIONS

No legal implications are apparent at this stage.

ITEM:3 REG - 05/02/07 - ADMINISTRATION BUILDING TREE REMOVAL

REPORT FROM: GROUP MANAGER REGIONAL SERVICES - ANDREW MUIR

REFERENCE

SUMMARY

Advising Council of the intention to remove trees adjacent to the Administration Building causing damage and blockage to the roof drainage system.

COMMENTARY

On a number of occasions during heavy storms the roof drainage on the single storey section of the Administration Building has backed up resulting in extensive flooding to the Regional Services office space. This was particularly evident during the violent storm on Wednesday 17/01/07 when carpet was saturated and it was necessary to relocate staff and documents for a number of days.

The problem results from the two large pin oak trees that are located less than a metre from the building on the Centrelink side. Roots have entered the roofwater drainage lines and the trees have dropped leaves into the box gutters on the roof. This results in water backing up and flooding into the building, particularly during heavy hail.

The gutters are cleared regularly but due to the very limited fall on the roof it is impossible to ensure that the problem will not reoccur without removal of the trees. Failure to remove the trees may eventually result in damage to council records and possible ceiling collapse in the affected area.

Removal of the two trees will be carried out by Council recreational staff and has been placed on the works program.

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

The cost of the tree removal is estimated at \$2,500. This can be funded from within the existing recurrent budget.

LEGAL IMPLICATIONS

Legal implications could result if records were lost due to water damage or staff injury from ceiling collapse.

SUMMARY

Details regarding the outcome of Council's submission for grant funding through the NSW Department of Sport and Recreation's Capital Assistance Programme.

COMMENTARY

Council submitted an application for financial assistance from the NSW Department of Sport and Recreation, under their Capital Assistance Programme, which closed on 31 May 2006.

This project was instigated following receipt of correspondence from the Lithgow Croquet Club, requesting Council to consider alterations and extensions to the existing Croquet Clubhouse to provide a suitable store room and meeting area.

The provision of this work was investigated by the Lithgow Croquet Club and Council, and the Lithgow Croquet Club have arranged for the preparation of plans for this building work. Council has an allocation of \$10,000.00 adopted in the three (3) year capital works budget prepared for the 2005/2006 Annual Management Plan (\$5,000.00 for 2006/2007 and \$5,000.00 for 2007/2008) for additional seating and installation of a disabled ramp at the facility.

This project aims to enlarge the present club room to accommodate Lithgow Croquet Club members who have physical disabilities and the aged, and will allow members to move safely around the facility (currently the small size of the facility inhibits the safe movement of members with walking aids etc). Quotations for this work have been received, at an estimate of \$32,000.00.

Council has received confirmation from the Department that the submission for financial assistance has been successful, and Council is eligible for \$16,000.00 funding for this project. Terms and conditions of this grant require Council to complete the Terms and Conditions Grant form (authorised by the General Manager), commence this project within nine (9) months of the offer for funding, with the project required to be completed within two (2) years of the offer, to complete progress reports for regular submission to the Department, provide the Department with a photograph of the completed project and audit statement of final costs once the project is completed, and provide an appropriate public acknowledgement of the Department's contribution to the project (including a permanent sign provided by the Department being attached to the scoreboard in a prominent position).

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

The total cost of the project will be approximately \$35,200.00 (including GST), and Council is eligible for funding from the NSW Department of Sport and Recreation of \$16,000.00. This results in Council having to allocate approximately \$19,200.00 in the 2007/2008 budget to complete this project. However, prior to this occurring it would be prudent to approach the local member to ascertain if other sources of funding are available to cover the shortfall.

LEGAL IMPLICATIONS

Nil

ATTACHMENTS

Nil

RECOMMENDATION**THAT:**

1. Representations be made to the Member for Bathurst seeking additional funding sources to cover the shortfall for the project.
2. The General Manager be authorised to sign the Terms and Conditions of the grant acceptance form for Project ID WS26043 as per the NSW Department of Sport and Recreation's requirement for this project.
3. Council allocate the required funding in the 2007/2008 budget.

SPORTSGROUND, LITHGOW****REPORT FROM: GROUP MANAGER REGIONAL SERVICES - ANDREW MUIR**

REFERENCE

Council resolution of 11 July 2005 to consider reallocating for the provision of a permanent electronic scoreboard (OS-150 Model with 300mm high electromagnetic digits at a cost of \$6,990.00 plus GST) at Tony Luchetti Sportsground, Lithgow, subject to successful grant application from the Department of Sport and Recreation.

SUMMARY

Details regarding the outcome of Council's submission for grant funding through the NSW Department of Sport and Recreation's Capital Assistance Programme.

COMMENTARY

Council submitted an application for financial assistance from the NSW Department of Sport and Recreation, under their Capital Assistance Programme, which closed on 31 May 2006.

This project was instigated following receipt of correspondence from the Lithgow Workmen's Club Rugby League Football Club, requesting Council to consider installing a permanent electronic scoreboard at Tony Luchetti Sportsground, Lithgow.

The provision an electronic scoreboard was investigated by Council officers previously, where Council determined that a permanent structure could not be erected between field number 1 and field number 2 (where the current temporary scoreboard is placed during football games) at Tony Luchetti Sportsground, Lithgow, due to the multi purpose use of the facility (cricket, equestrian, football etc). Council received quotes for a portable scoreboard, and funding to the value of \$20,000.00 was considered in the 2006/2007 financial year for this item.

Research undertaken by the Lithgow Workmen's Club Rugby League Football Club has determined that a permanent structure could be mounted on the announcing booth wall, where the current clock is located. This scoreboard can be multi purpose, and able to be used for rugby league games, rugby union games, cricket games and used in conjunction with other events held at Tony Luchetti Sportsground (ie Lithgow Show, Australian Day celebrations etc).

AusSport Scoreboards provided quotations for various models of appropriate scoreboards, and Council resolved to consider reallocating funds in the March 2006 review for the provision of a permanent electronic scoreboard (OS-150 Model with 300mm high electromagnetic digits at a cost of \$6,990.00 plus GST) at Tony Luchetti Sportsground, Lithgow, subject to successful grant application from the Department of Sport and Recreation at its meeting held on Monday, 11 July 2005.

This model allows for two digit team scores (ie up to 99), high contrast electromagnetic digits, name racks provided to receive name slips, wide view angle, time count down clock with siren, unbreakable polycarbonate windows over digits, and user friendly controller with LCD display, with 300mm high digits.

Council has received confirmation from the Department that the submission for financial assistance has been successful, and Council is eligible for \$3,514.00 funding for this project.

Terms and conditions of this grant require Council to complete the Terms and Conditions Grant form (authorised by the General Manager), commence this project within nine (9) months of the offer for funding, with the project required to be completed within two (2) years of the offer, to complete progress reports for regular submission to the Department, provide the Department with a photograph of the completed project and audit statement of final costs once the project is completed, and provide an appropriate public acknowledgement of the Department's contribution to the project (including a permanent sign provided by the Department being attached to the scoreboard in a prominent position).

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

The total cost of the project (including supply and installation of the scoreboard) will be approximately \$9,365.40 (including GST), and Council is eligible for funding from the NSW Department of Sport and Recreation of \$3,514.00. This results in Council having to allocate approximately \$5,851.40 and it will be recommended that this amount be allocated in the draft 2007/2008 budget.

LEGAL IMPLICATIONS

Nil

ATTACHMENTS

Nil

RECOMMENDATION**THAT:**

1. Council allocate \$5,851.40 in the draft 2007/2008 budget to supply and install a permanent electronic scoreboard at Tony Luchetti Sportsground, Lithgow.
2. The General Manager be authorised to sign the Terms and Conditions of the grant acceptance form for Project ID WS26042 as per the NSW Department of Sport and Recreation's requirement for this project.

REFERENCE

Development Application 007/07 - demolition of amenities block and Policy and Strategy Committee Minute No. 06 - 417 "Results of Public Exhibition of the Draft Plan of Works for Emora Park".

SUMMARY

Recommendation for approval of DA 007/07 for demolition of an existing amenities block at Emora Park, Lithgow.

COMMENTARY

Development Application No. 007/07 has been received on behalf of the General Manager, Lithgow City Council for the demolition of an existing brick amenities block on Lot 73 DP 258356 Emora Park, Landa Street, Lithgow.

The building has been vacant for a number of years and is extensively vandalised being beyond economic repair. Council resolved at a meeting of its Policy and Strategy Committee on 4 December 2006 to accept an offer from the Minister for Housing to accept an offer to fund the demolition of the building at a cost of \$3,000.

POLICY IMPLICATIONS

The application has been assessed in accordance with the relevant Council Plans and Policies. Full assessment of the application under Section 79C of the Environmental Planning and Assessment Act has been provided as an attachment.

SUBMISSIONS

Community submissions were received following public exhibition of the Draft Plan of Works for Emora Park and demolition was considered to be the appropriate course of action.

FINANCIAL IMPLICATIONS

The demolition is being funded by the State Government.

LEGAL IMPLICATIONS

The application has been assessed in accordance with Section 79C of the Environmental Planning and Assessment Act 1979. A copy of the Section 79C report is attached.

ATTACHMENTS

Planning report undertaken in accordance with Section 79C.

RECOMMENDATION

THAT Development Application No. 007/07 be approved subject to the following conditions:

Conditions

That the development be carried out in accordance with the application and plans submitted with the application or otherwise amended by the following conditions.

1. That the development be carried out in accordance with the Waste Management Plan submitted with the application unless otherwise amended by the following conditions.
2. All demolition is to be carried out strictly in accordance with AS2601/2001 All demolition is to be carried out strictly in accordance with AS2601/1991. Note: The applicant is to ensure that asbestos (if any) is identified prior to commencement of demolition. Asbestos/fibro Material to be removed and transported and disposed of in accordance with Workcover requirements. This material *must not* be disposed of at any Lithgow Council Rural Tip.
3. All recyclable materials are to be recovered. Receipts are to be provided to Council upon the completion of demolition works. Any materials to be used for building works on another site shall only be transported to that site if a valid development consent and construction certificate are in place to allow their use.
4. Approval must be obtained from Council's Environmental Officer prior to the disposal of any waste (including VENM) at any Council owned facility. Certification of the classification of the waste in accordance with the Environmental Guidelines: Assessment, Classification & Management of Liquid and Non-liquid Wastes and quantities will be required to be submitted. Also, waste receipts will need to be obtained and provided to Council prior to issue of an Occupation Certificate. NOTE: Large quantities of construction and asbestos waste will not be accepted. Concrete, bricks, etc are required to be crushed to a maximum size of 80 mm and separated from other waste materials prior to disposal at the appropriate area of the Lithgow Landfill.
5. Hours of operation during demolition/construction shall be permitted between 7am to 6pm, Monday to Friday and 8am to 1pm, Saturdays. Not work shall be permitted on Sundays or Public Holidays.
6. The LA₁₀ level measured over a period of not less than 15 minutes when the demolition/construction site is in operation must not exceed the background level by more than 10dB(A). In this regard, the background noise level is to be provided to Council prior to the commencement of demolition.
7. Active noise and dust suppression is to be employed to meet the minimum requirements at all times with dust emissions to be maintained within site boundary.
8. The demolition area is to be provided with siltation and sedimentation control measures to prevent the transportation of sediment off-site during demolition, and the site is to be grassed, as a minimum, upon completion of the demolition works.
9. Materials stored on-site are to be placed in an orderly manner and where necessary provided with a storage compound to prevent wind or other actions removing materials from the site.
10. That minimal site disturbance is caused to the site during construction works and any disturbed areas are to be generally made good and revegetated to the satisfaction of Council.
11. That the site shall be kept clean and tidy during the demolition period and all rubbish shall be removed from the site upon completion of the demolition.
12. Any development proposals for new buildings on the land shall have regard to the architectural character of the demolished building and similar such dwellings in the locality as well as being sympathetic to the existing streetscape.

ITEM:8 REG - 05/02/07 - REQUEST TO INSTALL MURALS - LITHGOW TIDY TOWNS

REPORT FROM: ANDREW MUIR - GROUP MANAGER REGIONAL SERVICES

SUMMARY

To determine a request from Lithgow Tidy Towns for the relaxation of a requirement to use anti graffiti coating on murals approved for installation on the wall of the Tattersalls Hotel adjacent to Councils walkway.

COMMENTARY

Council may recall at its Policy and Strategy Meeting of 4 September 2006 its resolution to raise “no objection to the installation of murals on the wall of the Tattersalls Hotel providing they are securely affixed and treated with appropriate anti graffiti treatment.” Correspondence has been held with Tidy Towns members, and a meeting subsequently held, seeking that the requirement to treat the murals with anti graffiti treatment be waived in this instance. It has been submitted that other murals have not been affected by graffiti and that the requirement is too onerous in this instance.

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

Nil

LEGAL IMPLICATIONS

If the murals were affected by graffiti there is a legal process to require the graffiti’s removal.

ATTACHMENTS

1. Correspondence from Lithgow Tidy Towns

RECOMMENDATION

THAT Council indicate to Lithgow Tidy Towns that it has no objection the murals remaining untreated against graffiti but seek their cooperation to quickly remove any graffiti should it occur.

Farmers Creek Dam Usage (ML)

Fish River Water Supply Usage (ML)

Total Water Consumption in Lithgow LGA (ML)

Dam Level (%) versus Water Use (ML) graph

From these figures, the following statistics are derived:

- With the exception of January and July, the total water consumption in the Lithgow LGA exceeded the usage per month during 2005;
- Annual daily water use for Farmers Creek Dam during 2005 was 3.78 megalitres and increased to 4.21 megalitres in 2006;

- Annual daily water use for Fish River Water Supply during 2005 was 2.18 megalitres and increased to 2.54 megalitres in 2006;
- Annual daily water use for Farmers Creek Dam and Fish River Water Supply combined during 2005 was 5.97 megalitres and increased to 6.75 megalitres in 2006;
- The Oakey Park Water Treatment Plant supplied approximately 4.2 megalitres per day;
- Council utilised 992.628 megalitres of water from Clarence Colliery, which equated to over twice the dam storage (450 megalitres).

Farmers Creek Dam is currently at 63.1% of its full capacity and Oberon Dam is currently at 22.45% of its full capacity.

ITEM:11 REG - 05/02/07 - JOHN WELLINGS HERITAGE AWARD**REPORT FROM: GROUP MANAGER REGIONAL SERVICES - ANDREW MUIR**

SUMMARY

This report recommends that Council sponsor a heritage award for local school students, to be named after the late John Wellings.

COMMENTARY

The National Trust Lithgow Branch has suggested that a Council Heritage Award be named after the late John Wellings. The local branch has suggested that such an award be related to education as well as historical research and heritage conservation to honour and acknowledge John's deep commitment to these areas.

One of the enduring legacies to Lithgow City from John was his ability to make history relevant and interesting to current times. This stems from his background in education and deep love of community based enterprise. A possible award could be given on an annual basis, tied in with the existing heritage awards for conservation work, to students in local schools.

A great deal of work to Council owned property has been done by community groups that John had a hand in, and so the award would be a fitting response to the economic as well as environmental benefits of his works.

POLICY IMPLICATIONS

FINANCIAL IMPLICATIONS

The cost of the award would be in the order of \$300, dependent upon the value and nature of the award, to be discussed with local schools. This could be funded from the existing recurrent budget.

SUMMARY

To advise Council of the six monthly stocktake at Council's Lithgow and Wallerawang stores with a recommendation for adjustments to be made.

COMMENTARY

A six monthly stock take was conducted at Lithgow and Wallerawang stores on January 15 and 16 2006 respectively.

Details of the variations request a write off of \$59.64 at Lithgow store and \$106.27 at Wallerawang store. Considering the value of the adjustment requested from a value of stock held it is considered acceptable.

Question Without Notice: Councillor B S Moran 20 November 2006

SUMMARY

This report advises that the compulsory acquisition relating to the Meadow Flat Hall is completed.

COMMENTARY

Further to a Question Without Notice from Councillor B S Moran at Council's Meeting of 20 November 2006, the following update is provided from Le Fevre & Co regarding Meadow Flat Hall and the compulsory acquisition of land:

"We confirm that the compulsory acquisition of Lots 1 & 2 DP 1081225 is now complete as a consequence of publication on 8 December, 2006 of the Notice of Compulsory Acquisition of Land in the New South Wales Government Gazette No. 175. A copy of the notice published in the Gazette is enclosed for your information. We have lodged a formal request with the Register General for the issue of certificates of title for the subject land and we shall forward same to you shortly, as soon as we receive same.

We note that as Thomas Hope Knox cannot be located and we further note that Council has taken all steps required under the legislation and in accordance with the requirements of the Department of Local Government to locate Thomas Hope Knox, it is not possible for Council to serve upon Thomas Hope Knox a notice pursuant to Section 42 of the Land Acquisition (Just Terms Compensation) Act notifying him of the acquisition and offering compensation. In the circumstances, all that can be done is for Council to leave the question of compensation in abeyance indefinitely, on the basis that should any person ever come forward able to prove their entitlement to compensation in respect of the acquisition, Council would then deal with that matter. We have confirmed this situation with the Department of Local Government.

We confirm that we have notified the Department of Local Government of the completion of the compulsory acquisition and we have, as required, furnished a copy of the gazettal notice to the department. We have also notified the Valuer General of the acquisition, as required."

With regard to Councillor Moran's request for community involvement in the management of the facility, this will be dealt with as a component in the ongoing review of s355 committees of council which is currently in progress. It is anticipated that a committee would be established through a call for expressions of interest and that the committee would be constituted and managed in accordance with guidelines Council establishes through a document detailing the terms of reference for the committee. This approach provides clarity for Committee members in terms of the responsibilities and duties. The review of potential new committees to assist Council's operations is expected to be brought to Council before the end of March.

POLICY IMPLICATIONS

There are no policy implications as a result of this report.

FINANCIAL IMPLICATIONS

The issue of compensation is in abeyance and in the future should any person come forward and be able to prove their entitlement, Council will need to consider compensation.

Legal costs have been incurred in the finalisation of the issue which can be accommodated in the current allocation in the Management Plan.

LEGAL IMPLICATIONS

All applicable legislative requirements have been achieved.

Minute 06-464: 18.12.06 - Submission Received 2005/06 General Purpose Financial Reports

SUMMARY

To advise Council in response to a Submission received from Councillor M Ticehurst in relation to the 2005/06 General Purpose Financial Reports (GPFRs).

COMMENTARY

As Council is aware one submission was received on the 11 December 2006 in relation to the 2005/06 GPFRs.

As reported to Council on the 18 December 2006 the Local Government Act specifies:

420 Submissions on financial reports and auditor's reports:

- (1) Any person may make submissions to the council with respect to the council's audited financial reports or with respect to the auditor's reports.*
- (2) A submission must be in writing and must be lodged with the council within 7 days after the date on which those reports are presented to the public.*
- (3) The council must ensure that copies of all submissions received by it are referred to the auditor.*
- (4) The council may take such action as it considers appropriate with respect to any such submission, including the giving of notice to the Director-General of any matter that appears to require amendment of the council's financial reports.*

In compliance with Section 420(3) of the Local Government Act, the submission was forwarded to Council's auditors on the 11 December 2006 for comment and a copy of their response of 19 January 2007 is attached.

Section 420(4) advises Council may take such action as it considers appropriate should the financial reports require amendment.

Councillor Ticehurst's submission details a number of statements as well as questions, many of which are not relevant to 2005/06 but the following report provides comment on each issue raised.

A copy of the submission is provided as an enclosure.

1a) THREE TREE LODGE AND PORTLAND POOL

IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:

Note 4: Expenses - Depreciation 3% \$154,200

Note 9: Infrastructure, Property Plant and Equipment: Depreciation \$154,200

Three Tree Lodge and Portland Pool were brought to account in the **2004/05** GPFRs as assets over which Council had technical control for accounting purposes. They were reported in Note 9 'Infrastructure, Property, Plant and Equipment,' and formally adopted by Council on the 31 October 2005. The assets held a value of \$4,820,000 and \$320,000 respectively.

During the 2005/06 financial year Three Tree Lodge and Portland Pool have been depreciated by 3% in accordance with the determined depreciation rate for all buildings. No additional entries are reflected in the 2005/06 statements.

Further questions in relation to Three Tree and Portland Pool have been previously answered and documented in Council Minute 06-168, 5 June 2006 which included audit correspondence from Alan Morse & Co of the 6 March 2006 and 22 May 2006. A copy of the Council Minutes, with the relevant inclusions, are attached for information.

1b) 2005/06 DISCLOSURE OF COUNCIL'S INVOLVEMENT WITH NUMEROUS NON PROFIT AND COMMUNITY ORGANISATIONS:

IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:

Note 18: Contingencies - Disclosure only

Note 4: Expenses - Donations

As required by Code 14 of the Local Government Code of Accounting Practice and Financial Reporting, 2005/06 GPFRs Note 18 Contingencies, discloses Council's involvement in acting as a guarantor for two community groups, Cooinda Homes for the Aged Inc (Minute 02-27 21 February 2002) and the Lithgow Hockey Association (Minute 99-864, 22 November 1999 and Minute 06-293, 4 September 2006).

Council's involvement with the organisations falls within the definition of a contingent liability. It is estimated that the possibility of any outflow from Council is remote as Cooinda and the Lithgow Hockey Association have demonstrated their capability to repay outstanding loan commitments and it is not probable that Council's resources will be required now or in the future therefore only disclosure by Note 18 is required.

This differs to the issue with Three Tree Lodge and Portland Pool as Council will derive future economic benefit from these assets.

Future financial reports will require Council to acknowledge the improvement made by the Lithgow Hockey Association's loan funding on Council's Glanmire Oval. The value expended on the water based field will be shown in Note 9 of the GPFRs: Infrastructure, Property, Plant and Equipment and a corresponding entry will be shown in Note 3: Revenue, as a Non Cash Contribution from a sporting body. No entries were required for the 2005/06 financial year as the work had not commenced on the new water based field.

Council's involvements with other organisations detailed in Councillor Ticehurst's submission are basically requests for a financial donation or 'in kind' assistance. The Community Groups may be itemised into two distinct categories, those that are on Council assets and those that are not. The assets on Council land are listed in Council's assets register and are depreciated annually.

COMMUNITY GROUPS UTILISING COUNCIL ASSETS:

- LINC - Council asset 1 Padley St Lithgow
- Lithgow Hockey Assoc - Glanmire Oval Lithgow

COMMUNITY GROUPS NOT UTILISING COUNCIL ASSETS:

- Tanderra - Short St Lithgow
- Portland & District Aged Persons Welfare Assoc
- Lithgow Mining Museum - Atkinson St Lithgow
- Portland & District Motor Sports Club Assoc - Boulder Rd Portland

Any assistance to the individual organisations may have been provided in the 2005/06 financial year as a Donation under Section 356 which Council has approved through the Management Plan or by individual resolution. Expenditure is disclosed in Note 4: Expenses - Other Expenses, Donations.

- Tanderra Lithgow Inc: No assistance 2005/06
- Portland & District Aged Persons Welfare Assoc Inc: No assistance 2005/06
- LINC: 2005/06 \$15,000 financial assistance towards rental (as per lease agreement) and a further \$1,000 for Community Projects - Bowenfels Cottage (Disclosed Note 3: Contributions)

Council also has officer representation on working groups organised by LINC such as the Community Services Interagency and Multicultural Group. The premises LINC utilise are 1 Padley St Lithgow they are Council owned & depreciated annually.

- Lithgow Mining Museum - State Mine: No assistance 2005/06
- Portland & District Motor Sports Club Assoc Inc: 2005/06 \$120 financial assistance towards their annual event (Disclosed Note 3: Contributions)

- Lithgow Hockey Assoc:

Written request for Council to construct amenities at Council owned Sportsfield Glanmire Oval \$12,000 (Disclosed Note 3: Contributions)

Request for Council to act a loan guarantor Minute 06-293 4 September 2006 (Disclosed Note 18)

Premises Glanmire Oval Sandford Ave, Lithgow: Council asset & annual depreciation disclosed in Note 9 of the 2005/06 GPFRs.

- Cooina Homes for the Aged Inc & Tabulam Cottages Portland:

Payroll production and accounting support since commencement of the organisations in 1968. Recently acknowledged by a presentation to Council in May 2005 during consideration of the 2006/07 Management Plan.

Representation by a Councillor or a Council Officer on a Community Group or Committee may be by Council resolution or private representation. It is assumed private representation would be disclosed by the elected member or officer on a Section 449 (1) or (3) return as required by the Local Government Act 1993, 'Disclosures by Councillors & Designated Persons.'

1c) CWG GROUP LTD - TENDER / CONTRACT / LOAN PORTLAND POOL**IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:**

Nil

As reported to the Council meeting of the 18 December 2006 Council included in the 2005/06 Management Plan an allocation of \$200,000 to be funded by loan borrowings for works on the Portland Pool.

Tenders were called for the works which and Council duly considered at a meeting held on 4 October 2005. The tender was awarded in the amount of \$200,640.

The successful tenderer, CWG Group, inspected the site subsequent to the Council determining the tender and advised Council that the works were much more extensive than anticipated and covered in their tender application. As a result of this inspection, CWG Group did not agree to complete the works.

The matter was reported in the Annual Report for 2005/06 to comply with Section 428 of the Local Government Act 1993 which requires details of each contract awarded by Council during the year which are for amounts in excess of \$150,000 (as specified in the Local Government (General) Regulation 2005).

The Department of Local Government has confirmed that it is appropriate to have listed the tender in the Annual Report as it was awarded in the year even though the works were not undertaken and the tenderer advised they would not complete the works.

However, staff have determined that for clarity sake it would have been advisable to identify that tenderer had withdrawn their offer as a comment within the Annual Report. This process will be followed in future.

No works have been undertaken, no payments have been made nor has the loan been initiated. The works are still within Council's 2006/07 Management Plan as resolved on 6 November 2006 (Minute 06-369) in adopting the revotes from the 2005/06 Management Plan to carry forward the intended loan of \$200,000.

2) DLG CIRCULAR 06/46 - "THE AUDITORS RESPONSIBILITY TO FRAUD IN AN AUDIT OF A FINANCIAL REPORT"

IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:

Nil - Circular sent by DLG on 26 July 2006

Circular 06/46 was released by the DLG on the 26 July 2006 and has no bearing on the 2005/06 GPFRs since it was issued after the reporting period.

Senior Council Officers can verify Auditors Alan Morse & Co investigate Council policies, practices and procedures on each audit visit. Processes, duties, authorisations and delegations are checked and records updated in line with system or procedural changes. Substantiation is made as to why changes are made with regard to effectiveness and security. Should concerns arise during an audit they are highlighted in the Management letter to the General Manager and Council following their visit.

It should be noted the Auditors issued an unqualified audit report for the 2005/06 accounts.

Council has numerous internal procedures and practices to ensure the risk of fraud is effectively managed. For example:

- Delegation of tasks
- Segregation of duties
- Authorisation levels

- Purchase and procurement procedures
- Cash Handling procedures
- Security Banking
- Payroll authorisation
- Accounts Payable procedures
- Accounts Receivable procedures
- Journals, processing and authorisation

With further regard to Circular 06/46 Council's Senior Management has already formed a working party to review internal auditing procedures not only in relation to financial matters but across all levels of Council's operations to enable regular management reporting on the Management Plan's progress as well as statutory compliance. The Circular will be considered as a resource in establishing internal audit processes. Additionally, the Council recently reviewed all policies adopting updated versions on 16 October 2006. Minute 06-439.

3) ROAD TO RECOVERY GRANT WORKS 2005/06 - DEPT TRANSPORT

IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:

Reserve 30.06.06 - Carried forward as a revote	Note 6: Unexpended grants	(\$71,616.71)

RTR works during 2005/06 were:

- Rydal - Hampton Rd (minor finalisation of account payments only)
- Ganbenang Rd (Tinkers Hill)
- Wolgan Rd (minor preparation of works)

(Councillor Ticehurst's' submission details Blackheath Creek Rd and Henrietta St Wallerawang improvements as part of the Roads to Recovery Program. These roads programs were not in the 2005/06 GPFRs. Henrietta St was programmed in 2004/05 and Blackheath Creek Rd in 2006/07)

During the completion of the 2005/06 audit Alan Morse & Co were requested by Council to complete an Audit Certificate as required by the granting body, the Department of Transport. This was received on the 12 October 2006 and is available if required.

During the course of the audit Alan Morse and Co requested and were provided with all information and documents required in relation to grant works. Documents such as:

- Grant approval
- Funding conditions
- GL transaction listings
- Income verification: Remittance advices, receipts, bank statements

- Expenditure verification:
Payroll and plant records, orders, store requisitions, verification of employee signatures etc

The RTR work is continuing over a number of financial years including 2006/07.

In addition to the above on the 29 June 2006 Council also received a 'supplementary Roads to Recovery payment' of \$453,389. Grant conditions require the funds to be spent within three years and for this reason they have been internally restricted and separately invested for the Roads to Recovery Program. Council's 2005/06 GPFRs disclosed receipt of this amount in Note 3: Grants and the internally restricted funds in Note 6: Unexpended Grants.

DARK CORNER ROAD - NSW STATE FORESTS

IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:

Note 4: Expenses - Resources \$274,989.16

Note 3: Income - Grants (\$24,749.02)

Note 7: Receivables 30.06.06 \$250,240.14

Councillor Ticehurst's submission details Dark Corner Rd improvements as part of the Roads to Recovery Program. This is incorrect as the project is funded by a separate entity being NSW State Forests.

All transactions were disclosed and audited by Alan Morse and Co in the 2005/06 GPFRs as follows:

2005/06 DARK CORNER RD - NSW STATE FORESTS		
Income NSW State Forests	Note 3: Grants	(\$24,749.02)
Less Expenditure	Note 4: Resources	\$274,989.16
Grant Debtor Due 30.06.06	Note 7: Receivables	\$250,240.14

The project has not been cancelled as suggested in the submission.

Documents requested during the audit were duly supplied to Council Auditors and the program continues into the 2006/07 financial year.

4) SYDNEY CATCHMENT AUTHORITY - KANIMBLA RD

IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:

Note 4: Expenses - Resources \$70,106.48

Note 3: Income - Grants (\$89,817.00)

Note 6: Unexpended Grants 30.06.06 (\$19,710.52)

All transactions were disclosed and audited by Alan Morse and Co in the 2005/06 GPFRs as follows:

2005/06 KANIMBLA RD - SYDNEY CATCHMENT AUTHORITY		
Income Sydney Catchment	Note 3: Grants	(\$89,817.00)
Less Expenditure	Note 4: Resources	\$70,106.48
Reserve 30.06.06	Note 6: Unexpended Grants	(\$19,710.52)

Documents requested during the audit were duly supplied to Council Auditors.

The program carried over into the 2006/07 financial year and unspent funds of \$19,710.52 were revoked by Council at the Finance & Services Committee Meeting of the 6 November 2006 in conjunction with the first review of the 2006/07 Management Plan.

As an update, all works have been completed in the 31 December quarter of the 2006/07 financial year.

With regard to allegations of fraud such issues should be referred to the General Manager in accordance with Council's Code of Conduct.

5) CUTCLIFFE v LITHGOW CITY COUNCIL / DUKES

IMPACT ON 2005/06 GENERAL PURPOSE FINANCIAL REPORTS:

Note 18: Contingencies - Advice that the matter was pending and an estimate of pending costs was disclosed as \$50,000

Court orders on this matter were awarded on 2 August 2006 and the current status remains as per Council resolution 06-457 of the 18 December 2006 and the matter is proceeding to conclusion by proper process.

The 2005/06 GPFRs disclosed the matter appropriately in Note 18 as a pending legal issue with an estimate of costs of \$50,000.

CONCLUSION

Auditors Alan Morse & Co and Council's Management do not recommend any changes be made to the 2005/06 GPFRs.

Dear Cr Castle

I am pleased to advise that your Council's project, upgrade of Wolgan Road has been successful in gaining Australian Government funding through AusLink's Strategic Regional Programme.

The Australian Government will contribute \$2,400,000 towards the project, capped in current year dollars, with the Council providing the balance of the funding.

The Strategic Regional Programme aims to enhance the ability of regional industry and communities to compete in the national and global marketplace. The City of Lithgow's application clearly demonstrated how the project will assist your region to do this, by opening up the tourism potential of the region and facilitating the development of a major eco-tourism resort. This will generate employment in the local area.

Your Council will be contacted shortly by an officer from the Department of Transport and Regional Services regarding the finalisation of a funding agreement for the project.

The Australian Government is firmly committed to working in partnership with local government to develop an effective regional transport network. There was strong interest in the AusLink Strategic Regional Programme, with 495 applications for funding being received across Australia seeking more than \$1 billion in funding. Projects submitted under the small project category are still under active consideration.

LITHGOW NSW 2790

Dear Andrew

Thankyou for your letter dated 3rd October 2006 from Council giving Lithgow Tidy Towns Committee permission to install new murals on the wall of Tattersalls Hotel.

However we are concerned at your request for treatment of panels with appropriate graffiti treatment because in our experience murals have been left untouched by graffiti artists.

The old murals on Eskbank Railway Bridge were untouched for over 20 years.

We would be happy to meet with you and discuss this further at a date and time suitable.

Yours faithfully,

Anne Wells

ITEM 5 – BOOKING REQUEST – KREMER PARK, PORTLAND – PORTLAND OWNERS AND TRAINERS ASSOCIATION

Correspondence has been received from Portland Owners and Trainers Association, requesting permission to use Kremer Park, Portland for the daily training of horses between 5.30am and 6.00pm (7.00pm during daylight savings time), from 1 January 2007 to 31 December 2007.

It should be noted that this booking does not conflict with any approved booking, however, the facility must be shared equally and fairly with other users when future bookings are requested.

Danny Whitty enquired if this booking conflicts with the approved booking by the Portland Cricket Club for competition games on Saturday and training on Fridays, and Neville Castle advised that Council is in the process of ordering and installing signage which will prevent the conflicting

problems during training, and that the Portland Cricket Club should provided the Portland Owners and Trainers Association with a list of home games to prevent any conflicting use.

The Committee recommends that permission be granted to Portland Owners and Trainers Association, to use Kremer Park, Portland for the daily training of horses between 5.30am and 6.00pm (7.00pm during daylight savings time), from 1 January 2007 to 31 December 2007.

ITEM 8 – GENERAL BUSINESS

- Russell Jeffery enquired if Council could source quotations for watering at Conran Oval, Lithgow, as there were water off take points installed when the wicket was replaced a number of years ago. Russell advised that the Lithgow District Cricket Association are interested in providing a financial contribution to Council to install a system that will adequate water the wicket and the outfield, and the Committee resolved for Council's Acting Recreation Supervisor, Mr Maurie Weekes, to seek quotations and liaise directly with Russell Jeffery and Michael Brown from the Lithgow District Cricket Association.

- Sue Metcalf advised that cricketers training in the nets at Glanmire Oval, Lithgow, have been climbing the fence into the tennis courts to retrieve stray balls. The Committee resolved for Council to erect signage advising persons not to climb the fence, and both Russell Jeffery and Mark Cronin will advise their Association's members not to climb the fence.
- Neil Gambrill advised that Committee that David Palmer has been nominated for the Australian Sports Star of the Year award, and that David was nominated for this award last year, however, lost to Ricky Ponting, and Neville advised that it was pleasing to see that David was also awarded an OAM in the 2007 Australia Day awards.

The Committee recommends that appropriate actions be undertaken.
