BUS SHELTERS / STREET SEATING - ADVERTISING

Version 2

# 10. PROPERTY MANAGEMENT

## 10.5 BUS SHELTERS/STREET SEATING - ADVERTISING

**OBJECTIVE:** To control advertising on bus shelters, street seating and other public facilities.

**POLICY:**

That Council permit advertising on bus shelters, street seating and other public facilities subject to formal agreement on conditions, fees and locations under the delegated authority of the General Manager.

Such advertising must take into consideration Council's policy stance on matters and will not include matters relating to:

- Tobacco;
- Alcohol;
- Illegal drugs or activities; or
- Advertisements for sex services or restricted premises.

Preference for advertising will be given to local tourism related features/activities in the first instance, however, Council will make the ultimate decision based on good business practice.
