Filling and Levelling of Land

**Version 4**

## **7. PLANNING**

### **7.1 FILLING AND LEVELLING OF LAND**

#### **OBJECTIVE:**

To define when a development application will be required to fill land.

#### **POLICY:**

Unless otherwise provided by an Environmental Planning Instrument or Development Control Plan, a development application is required in the following circumstances:

1. Where land is subject to inundation by floodwaters, or
2. Where excavation or the depth of fill exceeds 900mm.

Separate development applications are not required where the cut and/or fill is identified in a development application for a structure on the land or in relation to a subdivision where such works are identified.
