## Skate Parks

Get out your skateboards, scooters and bikes and work on your tricks this school holidays at the three skateparks in our LGA including Lithgow, Wallerawang and Portland

## Pump Track & Adventure Park

The pump track at Endeavour Park is great for kids who love cycling and can be used by people of all skill levels.

Parents can also take advantage of the adventure playground right next to the track which features engaging activities for kids both big and small.

## JM Robson Aquatic Centre

The JM Robson Aquatic Centre will be open for the school holidays. Come down and have a splash in the heated indoor pool. Mums and Dads did you know you can book out our dedicated event space for birthdays and other parties? Or that the aquatic centre has a brand new sauna to help you unwind? Contact our friendly team on 6352 9160 for more info.

## History and Nature

Pay a visit to Eskbank House Museum, the Lithgow districts regional museum. Set within a historic estate, the museum aims to collect, preserve and interpret the histories associated with the early settlement and development of the region. Explore the natural beauty of our area including the Blast Furnace and Lake Pillans Wetlands, Gardens of Stone National Park, and Lake Wallace.
