Fee Waivers and Reductions

Fee Waivers and Reductions

Section 610E(1) of the *Local Government Act 1993* provides that “A council may waive payment of, or reduce, a fee (whether expressed as an actual or a maximum amount) in a particular case if the council is satisfied that the case falls within a category of hardship or any other category in respect of which the council has determined payment should be so waived or reduced.”

The following principles will be considered when applying fee waivers or reductions:

- accountability and compliance;
- fairness and consistency;
- integrity and equity; and
- transparency.

Categories of potential fee waiver or reduction include the following:

- hardship, which is any unforeseen situation where an individual or organisation is having difficulty paying legally owed debt. This can result from life changes, for example, because of illness, unemployment or changed financial circumstances, natural disaster or pandemics, restricting the short-term capacity to pay;
- where there has been an error in charging a fee; and
- others as specified in the schedule of Fees & Charges set out in this document.

Some fees are governed by legislation which does not permit for any fee waivers or reductions.

All requests for a waiver or reduction of fees must be made in writing and are assessed on a case-by-case basis. Supporting documents may be requested by staff in order to assess the application, for example, Australian Business Number (ABN), Constituent Documents, financial records and statements, bills, medical documents if hardship is requested due to medical reasons. All final decisions are made by the Financial Services Manager within Council's Schedule of Delegations.

All not for profit organisations applying for a Fee Waiver or Reduction should be incorporated and hold a valid ABN. If they are not incorporated and are without an ABN they may be auspiced by an incorporated organisation holding a valid ABN.

An applicant has the right to appeal the decision. The appeal must be made in writing, clearly stating the reasons for the appeal. It will be assessed in the first instance by the Financial Services Manager, with final decisions made by the Director Finance & Governance.

Council or its delegates reserve the right to reduce or cancel a discretionary fee to an individual or group on a case-by-case basis arising from extraordinary circumstances.

Refunds

Decisions to refund a fee are made by officers with the relevant delegation as set out in Council's Schedule of Delegations.
