Director of People and Services

Dear Mr McGrath

We, the Management Committee of the Glen Davis Association Inc, fully support Roger Mika's proposal to affix bronze name plaques to the Glen Davis Community Hall, as long as there will be no costs or responsibilities involving the Glen Davis Association.

Mr Mika's idea is great for the original residents of Glen Davis and the Shale oil works who lived, worked and went to school here between 1938 and 1954.

Some of the older residents and their families still come back to Glen Davis for their reunion every October Long Weekend and if Lithgow Council seriously consider and accept this proposal, it would make their day.

Thank you for your time and consideration of this request.

Yours Sincerely,  
Laraine Simpson, Secretary  
For and on behalf of the Glen Davis Community Association Inc.
