AMOUNT OF FINANCIAL ASSISTANCE REQUESTED:

\$ 2993.00

Must agree with amount stated in this application's budget in section 3) (amount EXCLUSIVE of GST)

SECTION 2: APPLICATION / PROJECT DETAILS – all applicants to complete.

Briefly describe your request/project. If required, attach additional details.

We are applying for this grant in order to hopefully purchase a table saw package from Hare & Forbes

Is your project new? Select one YES

If you answered no, please provide some information that illustrates the new part of an existing project that you are seeking funding for.

What are the aims of the request/project?

The table saw will allow us to safely, accurately and consistently cut timber for projects requested by the community, quality is our objective.

How will your request/project assist members of the Community?

As mentioned above we will have the ability to produce quality projects with the aid of this machine. At present we have to hand cut larger sheet type material which can be very inconsistent. The safety aspect is also much better with the use of this machine/saw. We have members with varying disabilities and their tasks will be made much easier.

**What outcomes and benefits will your project have for the community?
Demonstrate how your project promotes community development and participation by connecting people, increased opportunity and building community capacity.**

N/A

What community consultation has confirmed the need for this program?

N/A

List the organisations actively involved in the project / program.

TIP

You can submit supporting documentation with your application to show how other organisations support your project.

You should include estimates of the cash and in-kind contributions you are making to the project and any other income you are applying for/expecting to receive from other grant sources. You may submit your budget as a separate attachment if you prefer.

If you are purchasing equipment or are planning a capital improvement to an asset, 2 quotations for the goods/ services need to be attached to your application.

Detail your plan for project development, implementation and project management.

[illegible]
