Re:- CULLEN BULLEN PROGRESS HALL

Dear Sir,

The purpose of this letter is to put Council on notice that the Cullen Bullen Progress Association will not be able to function as a viable unit in the near future. The reason is the fact that there are no persons in the community that are prepared to step up and keep it going. At the moment there are only six active members and two of them are over 80 years.

The problem was brought to a crisis point with the unexpected and sudden passing of our Treasurer Mr John Ceasar recently.

We do not wish to fold but it is inevitable this will mean the hall will not be able to keep the doors open. The lions share of our limited fund raising is eaten up with insurances and Council charges. In the interests of the community we suggest that Council takes over the responsibility for the hall as it is the focal point of the Village and is regularly used for funerals and other functions.

I look forward to your positive reply.

Many thanks

Beth Bulkeley
Asst. Secretary.
