

# Green Waste Clean-Up 2023

Monday 30 January 2023

Monday 3 April 2023

Monday 25 September 2023

Monday 6 November 2023

To register online for a Green Waste Clean-Up Service please visit Council's website at <https://council.lithgow.com/waste-recycling/waste-greenwaste/> or phone 6354 9999. A booking reference number will be issued. Please note registrations close 12pm on the Thursday before the service date.

- Clean-ups are operated on a service request basis.
- Register for a green waste clean-up by 12pm on the Thursday prior to clean-up operation day.
- After registering, place the material at the kerbside where your garbage bin is collected on the Sunday prior to the collection week.
- Material left for collection will be removed on the Monday, Tuesday or Wednesday following the collection date.
- Garden prunings are to be no longer than 2 metres, no thicker than 200mm, and tied in bundles using string or rope made of natural fibres that does not contain plastic.
- Each bundle of green waste should be no heavier than 16 kilograms.
- A maximum of 1 cubic metre (4 wheelie bins) per collection.
- ✗ **Bagged lawn clippings and leaves are no longer collected due to plastic contamination. These can be composted at home, placed in your waste bin or delivered to the Lithgow Solid Waste Facility.**
- The Contractor and the Council reserve the right to refuse any item they deem unacceptable.

#### Please note:

- No bagged grass clippings or leaves.
- Bundles to be no heavier than 16 kg.
- Branches maximum 2m in length and 200mm in width.
- Use string or rope made of natural fibres to tie bundles together.
