Subject: COVID 19 - Shortened Season Lithgow Workies Wolves RLC - Group 10 and NSWRL

[REDACTED]

[REDACTED]

[REDACTED] NSWRL are in talks with Group 10 RL to try and start a shortened 2020 season and have asked all clubs to go away and put together a Financial Plan to see how each club would fair with the proposed season.

I've been ask to see if the Council would be willing to either discount us or waver the ground hire and lights for the shortened season and again this is all to do with council opening the local grounds as well..

The shortened proposed season and this is all dependant on NSW Government COVID 19 Restrictions being lifted to allow it to start and again we are being guided by NSWRL with this aswell. but the proposal is below.

1st July - start Training

18th July - first game of a 8 round season with a 3 week finals planned. (4 home games planed for each club)

26th Sep - GF

Could you please ask the question, to whether the discount or waver is an option council would be willing to entertain, this again is just for our own financial planning nothing to do with NSWRL and also were does the council stand with the proposed shortened season and ground availability.

Lithgow Workies RLFC also totally understand that everyone is suffering through COVID 19 and whatever is decided we understand.

Thanks in advance.

Anthony Brown

President
Lithgow Workies Wolves RLFC
