

Executive Summary

The Quarterly Performance Report provides a budget review statement with a revised estimate of income and expenditure for the year. This is a requirement of the Local Government Act 1993 and Local Government (General) Regulation 2005. This Quarterly Performance Report for the period of 1 January 2020 to 31 March 2020 achieves these requirements.

From the General Manager, Craig Butler

Report by Responsible Accounting Officer

The following statement is made in accordance with Clause 203(2) of the Local Government (General) Regulations 2005:

31 March 2020

It is my opinion that the Quarterly Budget review Statement for Lithgow City Council for the quarter ended 31/3/2020 indicates that Council's projected position at 30 June 2020 will be satisfactory at year end, having regard to the projected estimates of income and expenditure and the original budgeted income and expenditure.

Income and Expenses Budget Variation Notes

| Notes | Details |
|-------|---|
| 1 | Minor reduction in rates and annual charges due to additional pension rebates applied from review of prior year rebates applied. |
| 2 | Decrease in user fees and charges revenue due to duplicate trade waste income budget being removed, less than expected development income and a reduction in user fees related to communities centre and facilities affected by COVID-19 closures, partly offset by increase in private works income. |
| 3 | Increase in interest and investment income due to better than expected returns on investments. |
| 4 | Increase in other revenues due to RFS Section 44 reimbursement due to be received. |
| 5 | Increase in operating grants due to additional grants expected for the additional bushfire recovery grant, pension rebate grant, Emergency Services Levy grant and Local Infrastructure Renewal Scheme subsidy. |
| 6 | Reduction of capital grants and contributions due to Cullen Bullen sewerage upgrade project budget being transferred to 20/21 financial year, lower than expected water and sewer developer contributions and Lake Wallace Assessable Fishing Platform project being moved to 20/21 financial year. |
| 7 | Reduction of Gain on Sales due to fleet sales being on hold due to COVID-19 to allow extra cars for adequate social distancing protocols. |
| 8 | Additional salary and wage costs for RFS Section 44 to be reimbursed under item 4. |
| 9 | Increase in materials and contracts budget due to RFS Section 44 costs, costs due to incident at Wallerawang STP, private works projects and other minor adjustments. |
| 10 | Decrease in other expenses transferred to materials and contract expense type in various departmental budgets. |

^{*} Delays in issuing water accounts following the installation of smart meters and an increase in overdue rates instalments during the COVID-19 pandemic are the main reasons for the deficit in unrestricted cash. Remedial action to address the unrestricted cash deficit is currently being considered.
