Lithgow Council - objection to proposed name change Oakey Park Oval

Comments: It is with great sadness that I read the above article in this week's Village Voice. I have lived in Lithgow all my life and in Oakey Park for over 17 years. I do not wish to see the park renamed. Residents of the area should have been given a letter drop regarding this and not just a notification in the local paper. The Park is an icon of the area. Why change something that everyone who lives in Oakey Park identifies with, to something that doesn't mean anything to most. Perhaps you could erect a historical display board with the information of Mrs Davis and how the park came to be but not change the name. Please note my objection to the proposed name change.

Yours faithfully
