To the Mayor, Mr Ray Thomson

24/02/21

And to those that have an interest in the project of the acquisition of a World War 2, 5.5 Inch Artillery Piece and where it should be placed if it is acquired.

The Lithgow City RSL Sub Branch and I totally support the Secretary Michael Cuthbert, his interest in the gun and the time he has put into setting up the criteria required which is not an easy task and is time consuming as well. Once Michael starts a project he keeps with it, this is an opportunity to good not to miss.
