LITHGOW.

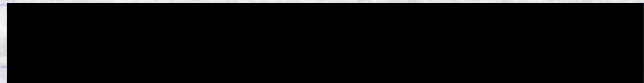

N.S.W. 2790.

11-3-2021.

Lithgow City Council,

My wife and I totally object to this proposal. because of the situation where my access to my property is bad enough now trying to access the front via my driveway and this intended proposal will virtually stop my access.

I have been a lithgow ratepayer for many years now and I totally reject this proposal.

P.S. It is very hard to get deliveries to my front door.
