**Subject:** acquisition of WW11 artillery gun

Dear Mr Johnson,

We, the ratepayers of Lithgow, vehemently object to the acquisition of the WW11 artillery gun which the RSL has requested the Council to obtain.

There are already at least 2 guns displayed around Lithgow and we have never observed anyone viewing them whenever we have passed them and that is practical every day on our daily walk in the area. We cannot see the benefits of obtaining another as we consider that our rate money should be put to better use like road repairs, kerb replacement and cleaning of the environment.
