LITHGOW. NSW 2790

Dear Mr Johnson

Re: World War 2 Gun Placement Proposal

On behalf of our Community we would like to have the opportunity to have this Historic Artillery piece placed in Federation Park at Wallerawang.

We think it would be an enhancement to the Park and a conversation piece for locals and tourists alike to talk about the history of the war.

We think our community would embrace the addition to Federation Park and hope we can be considered in deliberations for placement.

Regards

  
Secretary/Treasurer
