REGISTRATION BROCHURE

President Welcome

National General Assembly
19 - 22 June 2022

Friends and colleagues,

I am pleased to invite you to the 2022 National General Assembly of Local Government (NGA) at the National Convention Centre in Canberra from 19 to 22 June.

As I write, international borders are opening up, health restrictions are being eased, and the impacts of the COVID-19 pandemic are receding.

However, many of our communities in both NSW and Queensland have been devastated by flooding and are facing a long, expensive clean up and recovery.

As the closest government to communities, we have shown time and time again how resilient we are, and what we can achieve when we work together.

The theme of this year's NGA – Partners in Progress – reflects the important role we all play in building a stronger, more inclusive, and more sustainable Australia – and our willingness to work with other governments to get the job done.

This theme is particularly timely given that we are fast approaching a federal election, and this year's NGA will be an ideal opportunity to engage with either a new or re-elected Federal Government about building stronger relationships and partnerships.

We have invited the Prime Minister, the Leader of the Opposition, and key ministers to share their vision for Australia's future and how we can work together for the benefit of our communities.

By attending this year's event you can help us send a powerful message to the Australian Government that local government is ready and willing to work collaboratively to support our nation's recovery.

Throughout this event, we will look at how councils are responding to new challenges and opportunities to create jobs and drive economic growth, and how they are shaping a better future for all Australians.

This will include a series of panels where mayors and councillors will share their learnings and lived experience leading their communities through the turbulence of the past few years.

Our Regional Cooperation and Development Forum will be an opportunity to closely examine emerging trends and issues across our nation, and hear from a range of expert speakers.

And of course, the NGA is your chance to bring your council's motions to a national audience, and potentially inform our national policy positions and priorities.

I invite you to register for this year's National General Assembly in Canberra so that you can:

- Explore new ideas through keynote addresses, panels, concurrent sessions, and networking;
- Engage with our federal leaders and senior officials as they discuss Australia's recovery;
- Connect with partners and service providers in our Exhibition Space; and
- Learn more about how ALGA's policy and advocacy programs are supporting your recovery efforts in our communities.

I look forward to welcoming you to Canberra this June.
