To Whom It May Concern:

I would like to submit my "Expression of Interest" for the Women's Advisory Committee as advertised through Lithgow City Council – Get Involved with Council (15/3/2022).

Recently I was a member of this committee with Lithgow City Council as a representative for women through my role at LINC – Community Hub and as a local person who promotes women, reduces barriers, and empowers those to achieve their goals and aspirations.

Currently I coordinate the "Women's Save Have Project" in our social housing area which is an initiative of the previous Women's Advisory Committee and have introduced the Wellbeing Connection groups at Secret Creek, which is developing resilience, connectedness, and a sense of purposeful belonging.

I would like to be considered for the Women's Advisory Committee as this is an innovative approach from Council that celebrates women's success, milestones, and active participation of women in all aspects of community.

Thank you
