

Youth Council membership application form

Youth council nomination

Names: Emily Brown

Suburb/Town: Pipers Flat

Why do you want to join the Youth Advisory Council?

I want to join the Youth Advisory Council again to make Lithgow and the surrounding areas a better place for younger people. I think I have a fresh mindset this term and I am ready to bring some new ideas to the group.

What youth issues are important to you?

I think peer support is extremely important and providing services to assist young people with school and useful skills. ~~she~~ is one of my priorities. I also think it's important to create a respectful environment for everyone of all ages, races, religions and genders.

Any other comments?
