### **Commentary**

It is with great sadness that I inform Council of the recent death of Sue Graves  
Sue Graves has been a very positive and energetic citizen of the Lithgow community over many decades.

She was a founding member of Lithgow Tidy Towns, and a very active member and Chairperson for over ten years. She was a driving force in making many successful submissions to the Keep Australia Beautiful Award program, recognition of this success is reflected in the plaques at the front of the Lithgow City Council building.

Sue has also been a driving force behind the Lithgow Tidy Towns public art installations, a project that is ongoing and delighting locals and visitors to our community.

Sue was also on many committees in the Lithgow community, including the Lithgow City Council Crime Prevention Committee and Environmental Advisory Committees, Energy Australia Community Advisory Board, and the Uniting Care Board.

Sue also served the Lithgow community as an elected Councillor for a lengthy period from 1983 until 1994.

Her commitment, energy and positivity have been ongoing. She will be missed!
